## Profile

As an accomplished, ambitious, and impassioned employee, I am actively pursuing an opportunity that will challenge and inspire me. My unwavering commitment to excellence drives me to deliver exceptional results and exceed expectations. My ultimate objective is to secure a role that allows me to leverage my talents to the fullest and contribute to an organization's success.

## Experience

**SOFTWARE DEVELOPER | AUTOPE PAYMENTS SOLUTION PVT. LTD. | Nov. 2022 - Dec. 2023**

### CRM

- Oversaw Customer Relationship Management (CRM) activities for IRCTC's payment gateway "IPAY."
- Worked with diverse databases, including MongoDB and MySQL, showcasing versatile database handling skills.
- Extracted, manipulated, and organized data for insightful decision-making processes.
- Generated comprehensive reports using data from MongoDB and MySQL databases.
- Implemented CRM process improvements based on feedback and analysis.
- Designed visual dashboards for both acquirers and IRCTC, offering a clear representation of key performance indicators.

### Payment Gateway Integrations

- Integrated Railofy, Vouchagram, Advantage Club, and Yes Bank into IRCTC's payment gateway "IPAY."
- Provided users with a range of payment methods for increased flexibility.
- Ensured a smooth payment flow for all integrated methods, optimizing the user experience.
- Collaborated with payment partners to facilitate integration and address any challenges.
- Enhanced the overall user experience by diversifying payment options and streamlining the payment process.

## Education

**MASTER IN COMPUTER APPLICATIONS | SEPT 2023 - PRESENT | APEX UNIVERSITY, JAIPUR**

**BACHELOR OF COMPUTER APPLICATIONS | JUNE 2020 - AUG 2023 | S.S. JAIN SUBODH P.G. AUTONOMOUS COLLEGE, JAIPUR**
